

Fuel Savings Program Smart Phone App

Start Searching Diesel Prices Today!

TRX Trucking has been very aggressive in negotiating large fuel discounts with all of the major truck stops. We are receiving fuel discounts in a range of .08 cents per gallon to .50 cents per gallon. TRX provides a free app for your smart phone. This app allows you to track and view all TRX Trucking fuel discounts by truck stop location or highway route. It is a great tool allowing you to take advantage of the best fuel discounts located near you. These discounts can amount to over \$2,500 annually.
